Director's Notes

SPECIAL THANKS

Thanks also to Penistone Theatre Society for the loan of costumes and props.

As with all Trinity productions, it would not be possible to bring our shows to you without the hard work and assistance of cast, crew and members during rehearsals as well as during the show.

And special thanks to the Front of House team who are there for your safety and refreshments. Teas and coffees are free in the interval and served by Dawn and the team. Donations welcome.

It is a pleasure to welcome you to Trinity's annual pantomime. This is my second venture into directing the panto and although there have been cast changes since last time the challenges remain very similar. Whether it's cast members missing rehearsals, teenage breakdowns over costumes or an overly long debate about how to pronounce 'Keeek'. Also I did not realise when I was casting people that I had given solo songs to two grown men who would see this as a challenge to upstage the other, you can be the judge of who wins!

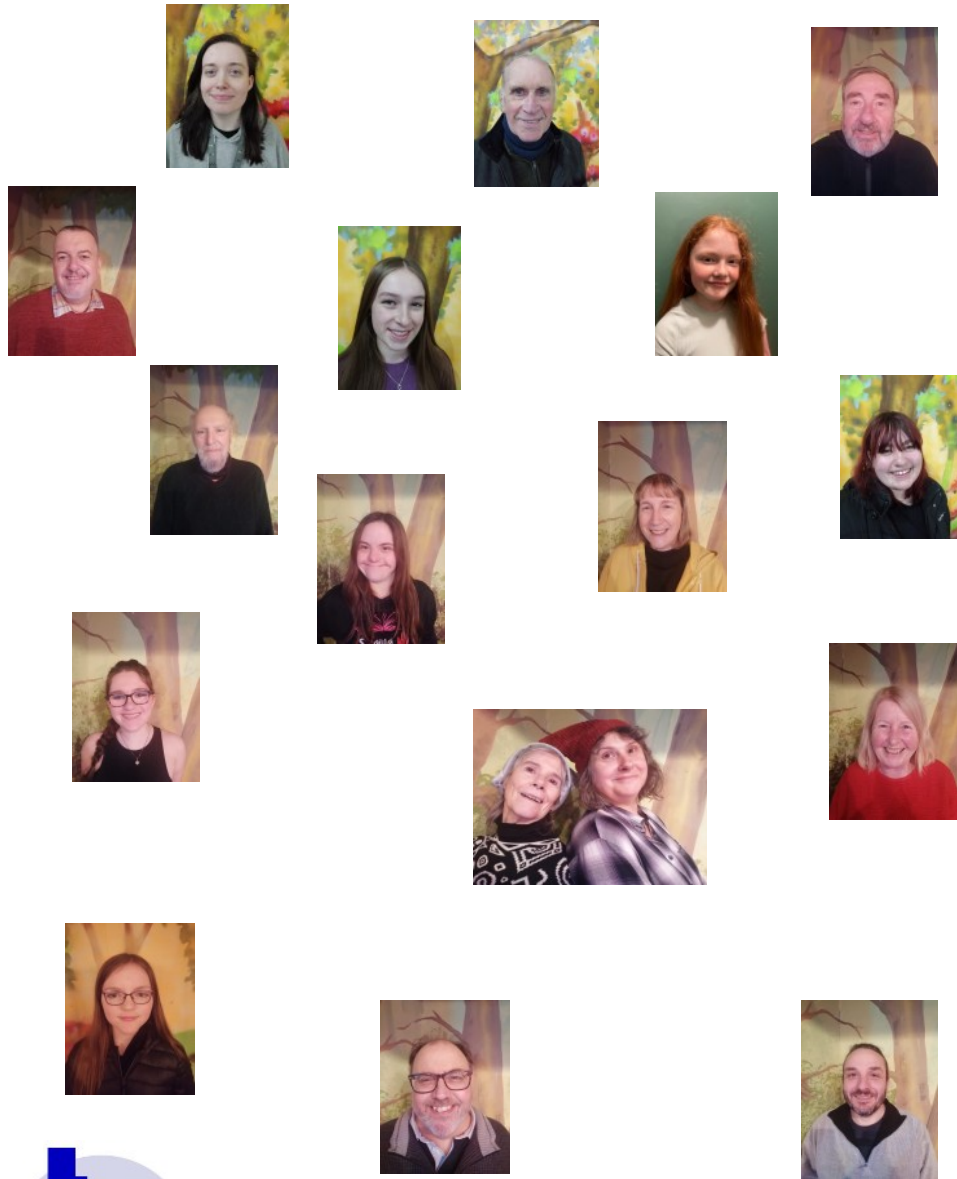

Having been involved in every Trinity pantomime since the first one (one of only 2 people who can claim this) I have seen how we have grown over those years. In that first show we had little scenery, very simple costumes and 5 small children alongside some of the worse singing you have ever heard. Now we have wonderfully painted sets, large choreographed dance pieces involving adults and children and fabulously sung solos (well they're better than they were at least).

I hope this years offering of Robin Hood and the Babes in the Wood is able to offer you some fun, laughs and entertainment. Watch out for The Moon, Boys are Back in Town and the old favorite Not Upon this Stage!

Alice Love xx

(I cannot sign off without asking everyone to take note of and appreciate our new tuck shop cart, you would not believe the discussions that were had about this)
